# Pick the rate plan that is right for you

PG&E offers multiple rate plan options so you can pick the one that works best for your household. Learn more about your rate plan choices below.

## Rate plan choices:

**Time-of-Use Rate Plans:** *When* you use energy is as important as *how much* you use. Best for households that can shift or reduce some usage in the late afternoons and evenings. Learn more at [pge.com/touinfo](https://pge.com/touinfo)

**Tiered Rate Plan:** Based on how much energy you use during each billing month. Best for households that can conserve energy throughout the month. Learn more at [pge.com/rates](https://pge.com/rates)

**Electric Vehicle (EV) Rate Plans:** For homes that also charge an EV or battery. Learn more at [pge.com/ev](https://pge.com/ev)

## Compare and choose your rate plan

PG&E offers a personalized rate plan comparison based on your past energy use. Log in to your account online to view your comparison at [pge.com/ratechoices](https://pge.com/ratechoices)
