

# WHAT'S THE DEAL WITH POWER SAVER REWARDS?

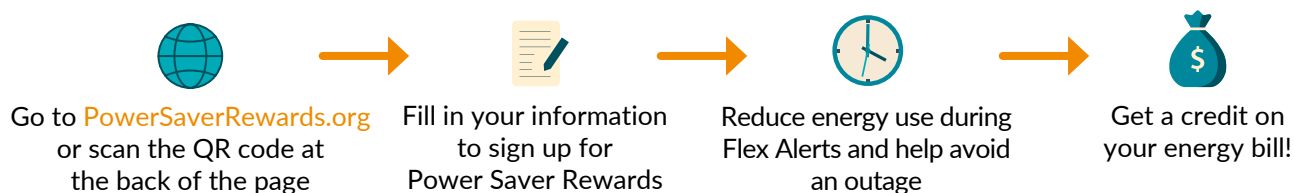

With Power Saver Rewards, you can earn a credit on your energy bill when you reduce your energy usage during a Flex Alert. Flex Alerts notify you to reduce your energy use to help prevent a power outage when there's a strain on the energy grid. Flex Alerts are typically issued between May and October from 4:00 p.m. - 9:00 p.m.\*

With Power Saver Rewards, the more you reduce your energy use during a Flex Alert, the more you earn.\*\* Millions of Californians are part of Power Saver Rewards. Join them today and sign up for Power Saver Rewards! **Together, we can help prevent a power outage.**

Although many households are auto-enrolled in Power Saver Rewards, it is best to ensure enrollment in the Power Saver Rewards program by joining at [PowerSaverRewards.org](https://PowerSaverRewards.org). Actual savings vary by utility provider. There is no penalty for not reducing your energy use during a Flex Alert.

## WHAT CAN I DO BEFORE A FLEX ALERT TO PREPARE?

Before 4:00 p.m.\* on Flex Alert days, you can:

Pre-cool your home by running your air conditioning during the day (when more clean energy is available), but remember to switch the thermostat to 78 degrees at 4:00 p.m.\*

Do chores that use large amounts of energy, like laundry or dishes.

Enjoy the sun in the morning and close window coverings (e.g. blinds, drapes) in the afternoon to block sunlight and stay cool.

## SAVE ENERGY BETWEEN 4:00 P.M. AND 9:00 P.M.\* WHEN A FLEX ALERT IS ISSUED TO GET BILL CREDIT

Wait to use major appliances (e.g. laundry) until after 9:00 p.m.\*

Raise your thermostat to 78 degrees and use fans to stay cool.

Switch off unused lights and appliances.

Hot at home? Consider going to a cooling center, library or movie theater.

## SAVE ENERGY DURING A FLEX ALERT TO HELP YOUR COMMUNITY PREVENT A POWER OUTAGE.

You're not the only one who benefits from Power Saver Rewards. When you reduce energy use during a Flex Alert, you're helping vulnerable neighbors and communities. Thank you for doing your part to help prevent a power outage!

\*Flex Alerts are commonly issued from 4:00 p.m. - 9:00 p.m. but may be issued outside of those hours.

\*\*Cost rewards earned through energy conservation actions during a Flex Alert event will be credited to a future bill statement. To find more details on how cost rewards are calculated and applied to your bill, and additional program details, visit your local utility provider's Power Saver Rewards website.
